Dear Mr. Mylari Rao,

The Comptroller tells me he has not received any instructions yet about my Insurance money. I do not know the cause of the delay. I am sure His Highness will not be disinclined to help me in the matter. However, should there be any delay or difficulty, kindly let me know early, so that I may surrender my

my policies and get whatever I can, before I leave - This would of course mean some loss. But, the need is such that in case necessary instructions could not be issued at once, surrendering is the only course open - Kindly therefore let me have a reply as early as possible and oblige.

Over a fourth of the Stones have been checked and taken charge. The work is being attended to both morning and evening and at the present rate, it may be completed in 2 or 3 weeks more -

Awaiting favour of very early reply in regard to the Insurance Amount,

Office of the Comptroller in Mysore,

B a n g a l o r e. 16th May 1918.

Dear Mr. Palpu,

Your letter of date. I have received the Government Order about your retirement to-day and according to it your retirement should have effect from the date of termination of privilege leave due to you. Until the expiry of the privilege leave you cannot be regarded as having ceased to be in service and your claim to your surrender value cannot be entertained till then. You once referred in the course of a conversation with me to your request to Government to authorise payment of your bonus as soon as your retirement is settled. There is no allusion to this point in the order that I received to-day. Mr. Mylar Rao's letter to you, however refers to some papers relating to the payment of your bonus, passed on to the Chief Secretary. I shall await orders on these papers.

I am returning herewith Mr. Mylar Rao's letter to you.
